FISCAL ANALYSIS

ASSUMPTION

The **Department of Elementary and Secondary Education (DESE)** indicates there would be no fiscal impact as a result of this proposed legislation.

There are currently two entities providing the orientation training outlined in the proposal: MSBA (Missouri School Boards Association) and MARE (Missouri Association of Rural Educators). DESE pays for the training through professional development grants funneled through the Outstanding Schools Trust Fund. Contacts with both entities indicate that the training can be completed without additional costs.

DESCRIPTION

This proposed legislation states that beginning August 28, 2002, no school board member will be permitted to file for reelection without showing proof to the election authority of completion of the orientation and training that board members are required to obtain.

This legislation is not federally mandated, would not duplicate any other program and would not

require additional capital improvements or rental space.
